

# BRAIN DUMP

Every idea is welcome here — even the silly ones.

A large rectangular area with a light yellow background and a purple border. It contains ten sets of horizontal lines for writing, each consisting of a solid top line, a dashed middle line, and a solid bottom line. The area is decorated with small, colorful icons: a pink heart on the left, a blue heart on the right, and a yellow star on the right. A green leaf icon is located at the bottom right corner of the writing area.
