

HALLOWEEN

Bingo

Instructions

To play Halloween bingo simply share the bingo cards amongst the players.

Cut out the shapes from the bingo sheet and place them in a bag or lay them face down on the floor.

Either remove a square from the bag or flip a square over to reveal the image.

Each player can put a marker on the matching image on their card.

Use a bead, penny or something similar as a marker.

Top tip: Laminate the bingo cards and use bingo dabbers to mark your card. You can also wipe clean and reuse!
