

EARTH DAY BEACH

SCAVENGER HUNT!

BEACH TREASURES TO FIND

- A seashell
(look for different shapes)

- Smooth sea glass
(recycled glass from the ocean)

- A piece of driftwood

- A white feather

OCEAN LIFE

- seaweed

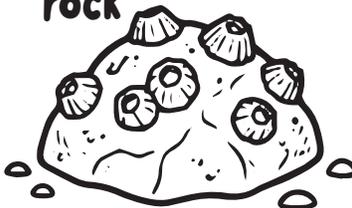

- Tiny crab holes in the wet sand

- A bird hunting for fish

- Barnacles on a rock

PROTECT THE SHORE

- Find a piece of plastic and put it in the bin

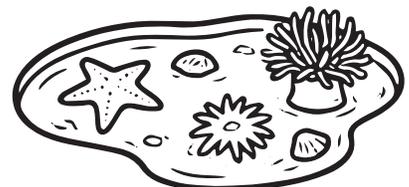

- Man or animal footprints

- A sand dune with grass growing on it

- A tide pool or rock pool

COOL FACT:

Most people think all our oxygen comes from big forests like the Amazon, but at least 50% of the oxygen on Earth is actually made in the ocean.
