

EARTH DAY BEACH

SCAVENGER HUNT

OCEAN COLORS

- seafoam white**
(bubbles or foam from a wave)

- deep blue**
(the water far away)

- sandy gold**

- silver** (the flash of a fish or a shiny shell)

SEASIDE CREATURES

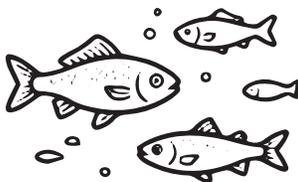

- A scuttling crab**

- A seagull**

- Small fish**

- A snail or limpet**

HIDDEN WONDERS

- A "spiral" shell**

- A rock with a pattern on it**

- sea grass waving in the wind**

- A V shape of birds flying**

- Bits of old rope or a net**

- move a piece of trash away from the water**

- Leave only footprints!**

(make sure you haven't left anything behind)

COOL FACT: Sand isn't just gold! Depending on the rocks and coral nearby, you can find beaches with pink, green, purple, and even jet-black sand.
