

# EARTH DAY BEACH

## SCAVENGER HUNT!

### BEACH TEXTURES TO FIND

- Dry, powdery sand  
(at the top of the beach)

- wet, squishy sand  
(near the waves)

- A salty rock

- Dried up seaweed  
(that pops or crunches)

### OCEAN FINDS

- A shell with a hole in it

- A big wave

- small bubbles in the sand  
(where a clam might be hiding)

- Flat skipping stones

### KEEP THE OCEAN CLEAN

- A piece of micro-plastic

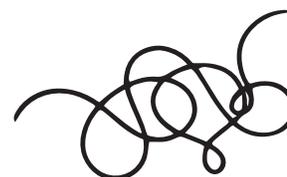

- Man or animal footprints

- Bottle cap or soda tab

- Tangled fishing line

**COOL FACT:** Sand dunes aren't just for hills to climb; they act as a "buffer" that protects the land from big waves and storms.
