

MY
MOMMY
IS A
HERO

The text is rendered in a bold, bubbly, hand-drawn font. The word 'MY' is at the top, followed by 'MOMMY' in a larger size. Below that is 'IS A' in a smaller size, and 'HERO' is the largest word at the bottom. The letters have thick black outlines and some have diagonal hatching on their sides to create a 3D effect. The text is surrounded by various decorative elements: three triangles above 'MY', a heart and a star to the left of 'IS A', a star, a heart, a medal, and another star to the right of 'IS A'. The word 'HERO' is positioned above two horizontal lines of barbed wire.
